Compounds & Polish

Body shop 1200

BS-1200-32 - Achieve perfect results on dark colors. Body shop 1200, is part of our Quick Step System for dark colors, is formulated to remove compound swirl marks, fine scratches and paint imperfections from all types of refinish and factory applied automotive paints. Body shop 1200 will leave a swirl free finish when applied with a foam polishing pad. Body shop 1200 contains no wax or silicone and may be used in all types of detailing applications. (Qts.- 12 per case)

Body shop 800

BS-800-32 Body Shop 800 is a highly efficient, rubbing compound designed for use in all body shop and detail applications to quickly remove up to 800 grit scratches or finer. Body Shop 800 removes surface defects from all types of finishes. Body Shop 800 may also be used to remove scratches, oxidation, fallout, water spots and other surface irregularities. Body shop 800 produces a smooth finish free of swirl marks. Use Body shop 800 by hand or machine on all colors. Contains no silicone or wax. (Qts.- 12 per case).

Insta Foam Pad Polish

IFPP-1 - Achieve perfect results on all colors. Insta foam pad polish, is part of our Quick Step System for all colors, is formulated to remove compound swirl marks, fine scratches and paint imperfections from all types of refinish and factory applied automotive paints. Insta Foam pad Polish will leave a swirl free finish when applied with a foam polishing pad. Insta Foam pad Polish contains no wax or silicone and may be used in all types of detailing. **MADE WITH ALUMINUM OXIDE**

Swirl Away

SA-32 – This ultra gloss polish uses extremely fine polishing agents to eliminate swirl marks and hairline scratches while preparing a blemish free surface for final finishing. Provides longer buffing time to create an exceptionally high gloss, glass-like appearance on all types of paint finishes. For hand or machine use. **MADE WITH ALUMINUM OXIDE.**

Waxes & Pain sealant's

Express Wax Stock # EW-1 & EW-32

A high gloss one-step liquid polymer wax. A liquid that contains silicone, removes light dirt and grease, produces gloss and provides moderate protection. An easy to use liquid that leaves no residue and provides durability. Unique blend of solvents and polymers that clean, polish and protect in one easy application.

Butter Wet Wax Stock # BWW-32

Butter Wet Wax a soft, yellow banana-scented crème wax that contains carnauba, silicones, and highly specialized polymers. It produces a deep "wet look" gloss and provides excellent protection. A thick crème which contains a unique blend of silicones for a long lasting shine. Easy-to-apply crème formulation that saves time and effort.

Paint sealant stock # PS-32

Paint sealant is a high quality paint sealant that produces a long lasting, high gloss shine on all types of automotive paint finishes. Amino functional polymers resist UV rays, salt, air, snow, sleet, insects, road film, harsh detergents and environmental contaminants that can fade or discolor automotive finishes prematurely. Offers long lasting beauty and protection. Apply by hand or orbital buffer.

Leather Conditioner stock # LC-12 & LC-1

Leather Conditioner a conditioner and restorer that most resembles the natural moisturizers that once kept the leather supple. A cream lotion with leather scent is formulated to penetrate and replenish essential oils. A non greasy blend that deeply conditions from the inside out.

RUBBERIZED UNDERCOATING SPRAY

This thick, black durable coating is flexible and watertight. The convenient aerosol application eliminates cleanup and waste.

- Inhibits rust
- Deadens sound and vibration
- Seals out moisture
- Quick and easy application
- Paintable
- Protects fender replacements, new panels, section repairs and weld joints

NU SHINE

For professional's who are serious about shine, premier silicone-based detailer makes surfaces appear factory-new.

- Silicone-based coating
- Specially formulated for vinyl interiors
- Great for body moldings, engine compartments, dashboards and door jambs
- Buff or air dry

ULTIMATE CARPET SPOTTER

This powerful spray removes tough spots and stains instantly.

- Non-foaming formula
- Upright valve for fast, forceful penetration
- No need for vigorous rubbing and scrubbing
- Excellent pre-spotter

ORANGE CITRA CLEAN

Fortified with a natural orange citrus solvent (d-limonene) that cleans and deodorizes most surfaces. Simply spray this foaming product and wipe clean. It contains no chlorinated solvents, petroleum distillates or glycol ethers. Nontoxic this product is safe for use on washable, painted surfaces. 99% biodegradable.

MIST ADHESIVE

A high performance mist adhesive used for both temporary and permanent bonds. It is a versatile general purpose adhesive ideal for use in packaging, lightweight bonding and fabricating, labeling and shipping applications.

VINYL LEATHER CLEANER

- With oil of Mink
- Retards soiling
- Protects original finish

ALL PURPOSE CLEANER

All Purpose Cleaner cleans may be the only general cleaning spray needed for most cleaning situations. Spray on and wipe off to remove dirty hand prints from walls and doors, scuff and crayon marks, grease spots, soot stains and smoke film.
